

Prep Athletes Dandy Dozen for week of Jan. 11

Staff Reports

Thursday, January 12, 2012

Boys

El Paso Johnson, Millington: At 12-4, the Trojans are one of the area's most improved teams and Johnson has been a huge reason why. The 6-4 junior scored 17 points in Millington's 65-60 victory over MUS on Friday then added 21 as the Trojans beat Briarcrest for the second time this season, 61-59, on Tuesday.

Girls

Nina Davis, Central: Last season's Best of the Preps player of the year and state tournament Most Valuable Player as a sophomore, Davis is elevating her game this year. She averaged 26 points in Central's three victories last week, which included a win over the top-ranked team in Arkansas, North Little Rock.
